

THE CUT

INTRODUCTION

The cut is where scenes transform.
Where performances sharpen.
Where stories take shape.
Where culture is edited into legacy.
The Cut Coin stands at the intersection of:

- Cinema
- Streaming & Series
- Gaming
- Music & Sound
- Fame & Fandom

The Cut Coin is a cultural entertainment emblem — a signal for film, television, gaming, and sound. It represents the moment that defines storytelling

It is not just a coin.
It is a mark of entertainment authority

THE IDEA BEHIND THE COIN

Every great story is shaped in the edit.
The scissorhands represent craft the hands behind storytelling.
The 8-bit star represents nostalgia and gaming culture.
The Hall-of-Fame star frame represents recognition and legacy.
